# Servant s prayer

Par B.B.King

*Album : Sings Spirituals (Retail)*

O lord I, I will serve You

I will serve You everyday

All my life I, I will praise You

Hear me calling now I pray

I will worship You only

Now I bow before Your throne Lord

**Holy Father hear me calling**

This is Your servant's prayer, Lord

When I'm sad You make me happy

Keep me safe from hurt and harm

When I'm burdened or I'm lonely

Comfort me within Your arms

Never leave me, ever keep me

You I'll follow anywhere Lord

**Holy Father hear me calling**

This is Your servant's prayer Lord

I give to You my life

My all I give to Thee

O Lord receive my offering today

**This is Your servant's prayer**

You gave to me Your love

Your son at Calvary

O Lord receive my Offering today

**This is Your servant's prayer**
