Don't Worry Baby

Par Beach Boys

Album : Sounds Of Summer Very Best Of

Well, its been building up inside of me

For, oh, I don't know how long

I don't know why, but I keep thinking

Something's bound to go wrong

But she looks in my eyes

And makes me realize

And she says (now don't) (don't worry, baby)

Don't worry, baby (don't you worry) (don't worry, baby)

Everything will turn out alright (now don't) (don't worry, baby)

Don't worry, baby (don't you worry) (don't worry, baby)

I guess I should've kept my mouth shut

When I started to brag about my car

But I can't back down now, because

I pushed the other guys too far

She makes me come alive

And makes me wanna drive

When she says (now don't) (don't worry, baby)

Don't worry, baby (don't you worry) (don't worry, baby)

Everything will turn out alright (now don't) (don't worry, baby)

Don't worry baby (don't you worry) (don't worry, baby)

She told me, "Baby, when you race today

Just take along my love with you

And if you knew how much I loved you

Baby, nothing could go wrong with you"

Oh, what she does to me

When she makes love to me

And she says (now don't) (don't worry, baby)

Don't worry, baby (don't you worry) (don't worry, baby)

Everything will turn out alright (now don't) (don't worry, baby)

Don't worry, baby (don't you worry) (don't worry, baby)

Everything will turn out alright (now don't) (don't worry, baby)

Don't worry, baby (don't you worry) (don't worry, baby)
