Glass Onion

Par Beatles

Album : The Beatles (The White Album) (Mono) CD1

I told you about Strawberry Fields
You know the place where nothing is real
Well, here's another place you can go
Where everything flows
Looking through the bent back tulips
To see how the other half lives

Looking through a glass onion

I told you about the walrus and me, man
You know that we're as close as can be, man
Well, here's another clue for you all
The walrus was Paul
Standing on the cast iron shore, yeah
Lady Madonna trying to make ends meet, yeah

Looking through a glass onion

Oh, yeah

Oh, yeah

Oh, yeah

Looking through a glass onion

I told you about the fool on the hill

I tell you, man, he's living there still

Well, here's another place you can be

Listen to me

Fixing a hole in the ocean

Trying to make a dovetail joint, yeah

Looking through a glass onion
