# I've Just Seen A Face

Par Beatles

*Album : Help! (Americ CD Canada - original stereo mix)*

**I've just seen a face**

**I can't forget the time or place that we just met**

**She's just a girl for me**

**And I want all the world to see that we've met**

Had it been another day

I might have looked the other way

And I'd have never been aware

But as it is I'll dream of her tonight

**Falling, yes I'm falling**

**And she keeps calling**

**Me back again**

I have never known the like of this

I've been alone and I have

Missed things and kept out of sight

For other girls were never quite like this

**Falling, yes I'm falling**

**And she keeps calling**

**Me back again**

**Falling, yes I'm falling**

**And she keeps calling**

**Me back again**

**I've just seen a face**

**I can't forget the time or place that we just met**

**She's just a girl for me**

**And I want all the world to see that we've met**

Falling, yes I'm falling

And she keeps calling

Me back again

Falling, yes I'm falling

And she keeps calling

Me back again
