Rock and Roll Music

Par Beatles, The

Album : Rock 'n' Roll Music (US Stereo)

Just let me hear some of that rock and roll music

Any old way you choose it

It's got a backbeat, you can't lose it

Any old time you use it

It's got to be rock and roll music

If you wanna dance with me

If you wanna dance with me

I've got no kick against modern jazz

Unless they try to play it too darn fast

And lose the beauty of the melody

Until they sound just like a symphony

That's why I go for that that rock and roll music

Any old way you choose it

It's got a backbeat, you can't lose it

Any old time you use it

It's got to be rock and roll music

If you wanna dance with me

If you wanna dance with me

I took my loved one over across the tracks

So she can hear my man a wailin' sax

I must admit they have a rocking band

Man, they were blowing like a hurricane

That's why I go for that rock and roll music

Any old way you choose it

It's got a backbeat, you can't lose it

Any old time you use it

It's got to be rock and roll music

If you want to dance with me

If you want to dance with me

Way down South, they had a jubilee
Them Georgia folks they had a jamboree
They're drinking home brew from a wooden cup
The folks are dancing, they're all shook up
And started playing that rock and roll music

Any old time you use it

It's got a backbeat, you can't lose it

Any old time you use it

Got to be rock and roll music

If you wanna dance with me

If you wanna dance with me

Don't care to hear them play a tango
And in the mood they take a mambo
It's way too early for a congo
So keep a rocking that piano

That's why I go for that rock and roll music

Any old time you use it

It's got a backbeat, you can't lose it

Any old time you use it

Oh, you got rock 'n' roll music

If you wanna dance with me

If you wanna dance with me
