Album : White Album

Two, three

Yes, I'm lonely

Want to die

Yes, I'm lonely

Want to die

If I ain't dead already

Oh, girl, you know the reason why

In the morning

Want to die

In the evening

Want to die

If I ain't dead already

Oh, girl, you know the reason why

My mother was of the sky

My father was of the earth

But I am of the universe

And you know what it's worth

I'm lonely

Want to die

If I ain't dead already

Oh, girl, you know the reason why

The eagle picks my eye

The worm he licks my bone

I feel so suicidal

Just like Dylan's Mr. Jones

Lonely

Want to die

If I ain't dead already

Oh, girl, you know the reason why

Black cloud crossed my mind

Blue mist round my soul

Feel so suicidal

Even hate my rock and roll

Want to die

Yeah, want to die

If I ain't dead already

Oh, girl, you know the reason why
