Eyes That Fire And Sword Have Seen

Par Beleriand

Album : February

Wanderers in the shadowed land

Despair not for there in darkness stand

All waits there who must end at last

And see the elven sun go past

Eyes that fire and sword have seen

And horror in the halls of stone

Look at last on meadows green

And trees and hills they long have known

Wanderers in the shadowed land

Despair not for there in darkness stand

All waits there who must end at last

And see the elven sun go past
