Dear Catastrophe Waitress

Par Belle & Sebastian

Album : Dear Catastrophe Waitress

Dear catastrophe waitress

Dear catastrophe waitress

I'm sorry that you seem to have
The weight of the world over you
I cherish your smile
There's a word of peace on you lips
Say it, and with tenderness I'll cherish you
I'll cherish you

Dear catastrophe girlfriend

Dear catastrophe girlfriend

I'm sorry if he hit you with a

Full can of Coke, it's no joke

Your face is bleeding

You'll soon be leaving this town

To the clowns who worship

No one but themselves, no one but themselves

I hate feeling this way, oh

I hate feeling this way, oh

I know that you hate it too, oh

Now that your coffee's growing cold, oh

All of the customers look so old, oh

Honey, if I could be so bold

Dear catastrophe waitress

Dear catastrophe waitress

I'm sorry if the kids hold you

In cool disregard, I know it's hard

You stick to what you know

You'll blow them all to the wall

When they realize what you've been working for

What you've been working for, what you've been working for
