Better Believe

Par Belly

Album : Belly Songs

(Zaytoven)

Yeah

I stay up fighting my demons (demons)

I don't got no one to lean on (lean on)

I'm busy puttin' my team on

Hitters pull up with the Bimmer (oh-oh)

I put that girl in a P1 (oh-oh)

She make a mess, and she clean up (oh, yeah)

She call her friend, her name Tina

I turned that shit to a threesome, yeah (yeah)

Fuck with my name can be fatal (oh-oh)

None of my niggas is stable (yeah)

They turned a crown to a halo (halo)

They rode through the town like it's Halo (Halo)

But don't make a move 'til I say so (say so)

Drop a few hits then I lay low (lay)

Ever since I been single

A side chick wanna be main chick

She know I'ma make her famous

Ever since I been single

A side chick wanna be main chick

Dodge her call like the Matrix

Dodge her call like (brr, brr)

Steady on top (steady on top), better believe

They keep prayin' on my fall, y'all better believe

I'ma die on top (die on top), better believe (better believe)

I just watched my opps team up, y'all better believe

Y'all better believe, y'all better believe

Y'all better believe, y'all better believe

Y'all better believe it, y'all better believe

Y'all better believe (look), y'all better believe, oh yeah (look)

(I'm just a-)

Young dirty bastard plastered, I'm gone off weed and acid, magic

My mind is doin' backflips, gymnastics, all my albums classic

All these fake rappers, they stay cappin'

'Bout a whole lot of shit that ain't happen

Middle finger, plus thumb 'cause I stay snappin'

They fronted on me, I made back it

Six hundred, I Maybach it (skrrt)

Baby, we ain't in the same bracket

They ridin' waves, this is Lake Placid, uh

You wanna be high for this (yeah)

On God, I'ma ride, I would die for this

Lookin' bad, oh, you mad 'cause I'm confident?

Tell that bitch she can swallow my cockiness (hah, yes)

Steady on top (steady on top), better believe (oh, yeah)

They keep prayin' on my fall, y'all better believe (better believe)

I'ma die on top (hey), better believe

I just watched my opps team up, y'all better believe

Y'all better believe (oh-oh), y'all better believe (huh)

Y'all better believe (better believe), y'all better believe

Y'all better believe it (better believe), y'all better believe

Y'all better believe (hey), y'all better believe, oh yeah

Audemar, Travis, Cactus (yeah)

Automatic, Patek, ride cinematic

Give me pussy, fuck a mattress

Baby, down low a nigga crevices (whoa)

Lookin' for the killer, murder 'round, nigga, there he is

Talkin' shootin', got no assists

Fuck a jet lags, I'm in the city, with it (woo)

Better believe ('lieve) I'm gon' get me (yeah)

Better believe ('lieve) I just bought a fleet (yeah)

Better believe (better believe) when I say I can't see (yeah)

Better, no better (yeah) when it come down to me (yeah)

Steady on top (steady on top), better believe (oh, yeah)

They keep prayin' on my fall, y'all better believe (better believe)

I'ma die on top (hey), better believe

I just watched my opps team up, y'all better believe

Y'all better believe (oh-oh), y'all better believe (huh)

Y'all better believe (better believe), y'all better believe

Y'all better believe it (better believe), y'all better believe

Y'all better believe (hey), y'all better believe, oh yeah
