Forever

Par Ben Harper

Album : Cd Box Collection

Not talkin' 'bout a year

No, not three or four

I don't want that kind of forever

In my life anymore

Forever always seems

To be around when it begins

But forever never seems

To be around when it ends

So give me your forever

Please, your forever

Not a day less will do

From you

People spend so much time

Every single day

Runnin' 'round all over town

Givin' their forever away

But no not me

I won't let my forever roam

And now I hope I can find

My forever-home

So give me your forever

Please, your forever

Not a day less will do

From you

Like a handless clock with numbers

An infinite of time

No, not the forever found

Only in the mind

Forever always seems to be around when things begin

But forever never seems

To be around when things end

So give me your

Forever

Please, your

Forever

From you
