I Won't Complain

Par Benjamin Clementine

Album : Cornerstone - EP

It's a wonderful life, it's a wonderful life

Traversed in tears from the heavens

My heart is a melodrama, a melodrama in fact

Set alight by echoes of pain 24-7, 24-7

I dream, I smile, I walk, I cry

I dream, I smile, I walk, I cry

You might not say that it's a wonderful world

And it's a wonderful life

And it's a wonderful day

Just as yesterday

But I won't complain

No, I won't complain

Though my good days are far gone

They will surely come back one more

So I won't complain, no, no

My mind is a mirror, a reflection only known to me

And for those who hate me, the more you hate me

The more you help me

And for those who love me, the more you love me

The more you hurt me

And when I go to bed in the night, I see some children in the light

Fighting unknown shadows behind my mother's back

And although I don't understand my dreams, I know somewhere

There is hope, there is hope, somewhere there is hope

I dream, I smile, I walk, I cry

I dream, I smile, I walk, I cry

You might not say that it's a wonderful world

And it's a wonderful life

And it's a wonderful day

Just as yesterday

But I won't complain

I won't complain, no, no

Drrr, no, rrr, no, no, I won't complain

No, I won't complain

Though my good days are far gone

They will surely come back one more

So I won't, I won't complain

Though my good days are far gone

They will surely come back one more

So I won't, I won't complain
