Watch Over Me

Par Bernard Fanning

Album : So Fresh Spring 2006

When trouble fills my world, you bring me peace

You calm me down, you're my relief

When walls come crashing down around my feet

You light my way, you're my release

So say you'll watch over me

When I'm in too deep

Tell me you'll always be

There to pull me free

When the sun is beating down upon my brow

You are my shade, you cool me down

Every time I tried to turn away

You brought me 'round in your humble way

So say you'll watch over me

When I'm in too deep

Tell me you'll always be

There to pull me free

There to rescue me

For every time you sheltered me from harm

You showed me truth, kept me warm

Every time you left me on the street

I found my way, I found my feet

So say you'll watch over me

When I'm in too deep

Tell me you'll always be

There to pull me free

There to rescue me

There to pull me free

There to rescue me
