Upgrade U (Featuring Jay-Z)

Par Beyonce

Album : *Greatest Hits CD1*

Yeah, B

Talk yo' shit

(Partner, let me upgrade you, upgrade you)

How you gon' upgrade me

What's higher than number one

You know I used to beat that block

Now I be's the block

(Partner, let me upgrade you)

I hear you be the block, but I'm the lights that keep the streets on

Notice you the type that like to keep them on a leash though

I'm known to walk alone but I'm alone for a reason

Sending me a drink ain't appeasing, believe me (believe me)

Come harder, this won't be easy

Don't doubt yourself, trust me, you need me

This ain't a shoulder with a chip or an ego

But what you think they all mad at me for?

You need a real woman in your life (that's a good look)

Taking care, home and still fly (that's a good look)

And I'ma help you build up your account (that's a good look, better yet, a hood look)

Believe me (ladies, that's a good look)

When you're in them big meetings for the mills (that's a good look)

You take me just to complement the deal (that's a good look)

And anything you cop, I'll split the bill (that's a good look, better yet, a hood look)

Believe me (ladies, that's a good look)

Partner, let me upgrade you

Audemars-Piguet you

Switch your necktie to purple labels

Upgrade you

(I can) up, (can I?) up, (let me) upgrade you

(Partner, let me upgrade you, upgrade you)

Partner, let me upgrade you

Flip a new page

Introduce you to some new things and

Upgrade you

(I can) up, (can I?) up, (let me) upgrade you

(Partner, let me upgrade you, upgrade you)

I can do for you what Martin did for the people

Ran by the men, but the women keep the tempo

It's very seldom that you're blessed to find your equal

Still played my part and let you take the lead role, believe me

I'll follow, this could be easy

I'll be the help whenever you need me (you need me)

I see you hustle with my hustle, I can keep you

Focused on yo' focus, I can feed you

You need a real woman in your life (that's a good look)

Taking care, home and still fly (that's a good look)

I can help you build up your account (that's a good look, better yet, a hood look)

Believe me (ladies, that's a good look)

When you're in them big meetings for the mills (that's a good look)

You take me just to complement the deal (that's a good look)

Anything you cop, I'll split the bill (that's a good look, better yet, a hood look)

Believe me, I can upgrade you (ladies, that's a good look)

Partner, let me upgrade you

Audemars-Piguet you (Audemars Piguet you)

Switch your necktie to purple labels (have you rockin' purple labels)

Upgrade you

(I can) up, (can I?) up, (let me) upgrade you

(Partner, let me upgrade you, upgrade you)

Partner, let me upgrade you

Flip a new page

Introduce you to some new things and

Upgrade you

(I can) up, (can I?) up, (let me) upgrade you

I be's the d-boy who infiltrated all the corporate dudes

They call shots, I call audibles

Jacob the jeweler, baubles, Lorraine Schwartz oughta do

It's big ballin', baby, when I'm courtin' you

I'm talkin' spy bags and fly pads

And rooms at the Bloomberg, and rumors

You on the verge of a new merge

'Cause that rock on your finger's like a tumor

You can't fit your hand in your new purse

It's humorous to me, they watchin' and we just yachtin'

Island-hoppin' off the Amalfi Coast

Mafioso, Hov, baby, you ever seen Saturn?

No, not the car, but everywhere we are

You sure to see stars, this is high-level

Not eye-level, my bezel courtesy of Audemars

I order yours tomorrow, now look at the time I saved you

Mama, let me upgrade you

Just when you think we had it all

Big ends, condos, collecting cars

Picture your life elevating with me

You my project celebrity

I keep your name hot in them streets

But it's that little glimpse of light

That makes a diamond really shine

And you already is a star but, unless you flawless

Then your dynasty ain't complete without a chief like me

Partner, let me upgrade you

Audemars Piguet you

Switch your necktie to purple labels

Upgrade you

(I can) up, (can I?) up, (let me) upgrade you

(Partner, let me upgrade you, upgrade you)

Partner let me upgrade you

Flip a new page

Introduce you to some new things

And upgrade you

(Partner lemme upgrade you, upgrade you)

Audemars Piguet watch

Dimples in ya necktie

Hermes briefcase

Cartier top clips

Silk lined blazers

Diamond-creamed facials

VVS cuff links

6-star pent suites

Partner, let me upgrade you, grade you

Partner, partner, let me upgrade you, grade you

Let me, let me, let me upgrade you, grade you

Partner, partner, partner, let me upgrade you, ha
