### 03. Intruder

Par Big Brother & The Holding Company

*Album : Big Brother & The Holding Company*

You come around here, trying to make your demand  
You've got a need, darling, I've seen it grow and expand  
Yeah, you want to reveal my life with your own two hands

**Well, tell me now, what are you trying to do?**

Those holes in your life show what you require  
You're needin' new eyes, oh Lord, honey, take any wire?  
Yeah, you've gotta save us all before the next big fire  
Tell me now, what are you trying to do?

Walked in my life, child, and I don't even know your name  
You put others around behind you as if they were lame  
You insist a simple feeling will be all the same

**Well, tell me now, what are you trying to do?**

Now I look like I'm suffering, n-n-n-n-n-n-now I'm doing fine

One look at yourself, baby, child, I got you alive

Yeah, you're gonna take care of yours, I'll take care of mine

What are you trying to do?

Hey!
