Who Is He And What Is He To You

Par Bill Withers - CD 1

Album : Bill Withers CD 1

A man we passed
Just tried to stare me down
And when I looked at you
You looked at the ground
I don't know who he is
But I think that you do
Dadgummit

Who is he? And what is he to you?

Ah-huh
Something in my heart and in your eye
Tells me he's not someone just passing by
And when you cleared your throat
Was that your cue?
Dadgummit

Who is he? And what is he to you?

Ah, now

When I add the sum of you and me

I get confused and I keep coming up with three

You're too much for one man

But not enough for two

Dadgummit

Who is he? And what is he to you?

Well

You tell me men don't have much intuition

Is that what you really thinkin' girl?

Or are you wishin'?

Before you wreck your old home

Be certain of the new

Dadgummit

Who is he? And what is he to you?

Dadgummit

Who is he? And what is he to you?

Dadgummit

Who is he? And what is he to you?

Dadgummit

Who is he? And what is he to you?
