Lost CauseLost Cause

Par Billie Eilish

Album : Happier Than EverHappier Than Ever

Something's in the-

Something's in the air right now

Like I'm losing track of time

Like I don't really care right now, but maybe that's fine

You weren't even there that day

I was waitin' on you

I wondered if you aware that day was the last straw for me and I know

I sent you flowers

Did you even care?

You ran the shower and left them by the stairs

Ooh-ooh-ooh, ooh, ooh

Ay-ay-ay-ay, ay, ay

Thought you had your shit together, but damn, I was wrong

You ain't nothin' but a lost cause

And this ain't nothin' like it once was

I know you think you're such an outlaw

But you got no job

You ain't nothin' but a lost cause

And this ain't nothin' like it onc? was

I know you think you're such an outlaw

But you got no job

I used to think you were shy

But maybe you just had nothing on your mind

Maybe you were thinkin' 'bout yourself all the time

I used to wish you were mine

But that was way before I realized

Someone like you would always be so easy to find

So easy (so easy)

He-hee, mm-mm-mm, mm

Gave me no flowers

Wish I didn't care

You'd been gone for hours

Could be anywhere

Ooh, ooh-ooh, ooh-ooh

Ah-ah-ah-ah-ah

Thought you would've grown eventually, but you proved me wrong

You ain't nothing but a lost cause

And this ain't nothing like it once was

I know you think you're such an outlaw (yeah)

But you got no job

You ain't nothing but a lost cause

And this ain't nothing like it once was

I know you think you're such an outlaw (think you're such an outlaw)

But you got no job

What did I tell you?

Don't get complacent

It's time to face it now, na-na, na-na, na-na

What did I tell you?

Don't get complacent

It's time to face it now, na-na-na
