They Say

Par Billie Holiday

Album : Retrospective

They say you have no lips

For a fool such as I

They say you just believe

In hello and goodbye

And they say that the one I admire

Isn't even remotely concerned

And that I'll go on playing with fire

Until I have learned

My heart has been burned

They say I shouldn't dream

Of your face in the moon

They say all of my dreams will be

Nightmares too soon

Let them talk

Let them think what they want to

If it makes them feel happy that way

I know I'll always love you

No matter what they say
