# White Wedding

Par Billy Idol

Album : *White Wedding [Single]*

Hey little sister, what have you done?

Hey little sister, who's the only one?

Hey little sister, who's your Superman?

Hey little sister, who's the one you want?

Hey little sister, shotgun

It's a nice day to start again

It's a nice day for a white wedding

It's a nice day to start again

Hey little sister, what have you done?

Oh, hey little sister, who's the only one?

**I've been away for so long (so long)**

**I've been away for so long (so long)**

I let you go for so long

**It's a nice day to start again**

Come on, it's a nice day for a white wedding

**It's a nice day to start again, aw**

**Pick it up, take me back home, yeah**

There is nothing fair in this world, baby

**There is nothing safe in this world**

**And there's nothing sure in this world**

**And there's nothing pure in this world**

Look for something left in this world

**Start again**

Come on, it's a nice day for a white wedding, woah

**It's a nice day to start again**

**It's a nice day to start again**

**It's a nice day to start again**

What you want with your nice day for a white wedding?

Rock news

**Hey little sister, what have you done?**

**Hey little sister, who's the only one?**

**Hey little sister, shotgun**

Hey little sister, shotgun, oh yeah

**Hey little sister, shotgun**

**It's a nice day to start again**

**It's a nice day for a white wedding**

**It's a nice day to start again, aw**

Hey little sister, who is it you're with?

Hey little sister, what's your vice or wish?

Who have you sold yourself to?

Who have you sold your soul to?

**Hey little sister, shotgun**

**It's a nice day to start again**

It's a nice day for a white wedding day

**It's a nice day to start again**

Dynamite, kiler stylin'

**Pick it up, take me back home, yeah**

There is nothing fair in this world, girl

**There is nothing safe in this world**

**And there's nothing sure in this world**

**And there's nothing pure in this world**

If there's something left in this world

**Start again**

Come on, it's a nice day to start again

## It's a nice day for a white wedding

Yeah, it's a nice day to start again

Woah, take me back home, yeah

Aw, white wedding, silk shedding

Fire set thrower, white wedding

## Start again
