Winter Academy

Par Billy Mackenzie

Album : Beyond The Sun

I've heard around

That you've been crying

All over town

They say you're buying

Cheap thrills with hearts

You couldn't care for

Cheap thrills with hearts

But I know different

To the winter

Ketter me

A gift of flowers

Needless to say

We spent these hours

All around town

These young pretenders

So jagged a crowd

Breakfast remembered

When I close my eyes

I think of you

When I close my eyes

I see all of you

When I close my eyes

I see you for what you were

Before the autumn came

But life itself is strange

Night and day

Night and day

I've heard around

That you've been crying

All over town

They say you're buying

Cheap thrills with hearts

You couldn't care for

Cheap thrills with hearts

But I know different

When I close my eyes

I think of you

When I close my eyes

I see all of you

When I close my eyes

I see you for what you were

Before the autumn came

But life itself is strange

Night and day

Night and day

When I close my eyes

I think of you

When I close my eyes

I see all of you

When I close my eyes

I see you for what you were

Before the autumn came

But life itself is strange

Night and day

Night and day

Night and day
