Heat Wave

Par Bing Crosby

Album : Bing Sings Whilst Bregman Swings

A heat wave blew into town last week

She came from the island of Martinique

The can-can, she dances will make you fry

The can-can is really the reason why

We're havin' a heat wave

Tropical heat wave

The temperature's risin'

It isn't surprising

She certainly can can-can

She started a heat wave

By lettin' her feet wave

And in such a way that

The customers say that

She certainly can can-can

Gee, her anatomy

Makes the mercury

Jump up to ninety-three

Yes sir

We're havin' a heat wave

Tropical heat wave

The way that she moves that

Thermometer proves that

She certainly can can-can

It's so hot, weatherman will tell you

A record's been made

It's so hot, a coat of tan

Will cover your face in the shade

It's so hot, the coldest maiden

Feels just as warm as the bride

It's so hot, a chicken laid an egg on the street

And it fried

We're havin' a heat wave

A tropical heat wave

The temperature's risin'

It isn't surprisin'

She certainly can can-can

She started a heat wave

By lettin' her feet wave

And in such a way

That the customers say that

She certainly can can-can

Gee, her anatomy

Makes that mercury

Jump up to ninety-three

That's hot man

We're havin' a heat wave

A tropical heat wave

The way that she moves that

Thermometer proves that

She certainly can can-can

Yes, she certainly can can-can

Oh, she certainly can can-can
