Money Machine

Par Birdman

Album : Pricele\$\$

*** I'm paid, that's all I gotta say

Can't see you lil' *** the money in the way?

*** I'm paid *** *** I'm paid

*** I'm paid *** *** I'm paid

*** I'm paid, that's all I gotta say

*** I'm paid, that's all I gotta say

*** I'm paid *** *** I'm paid

*** I'm paid *** *** I'm paid

Hard body *** flow, game never wrote more cane

More to gain, more money, not a choke smoke cane

More money blood ***

Switchin' lane, doin' thangs, makin' change

Fast like a hurry

More money that I ever seen, don't you worry

That's how we breaded uptown soldier

Never did 4 *** known how I roll her

The Porsche came with candy, the money on the line

Hundred G's all the time, pitch the sunshine

4 dope Cartier, old still there, so I brought her to the mall

Shawty, we don't care

Ball till you fall, she be shinin' hard time

Bought my *** white mink and a matchin' Benz 5

Priceless in the Lambo, hustlin' with my ammo

Shinin' like a diamond when I jump of out this Lambo

*** I'm paid, that's all I gotta say

Can't see you lil' *** the money in the way?

*** I'm paid *** *** I'm paid

*** I'm paid *** *** I'm paid

*** I'm paid, that's all I gotta say

*** I'm paid, that's all I gotta say

*** I'm paid *** *** I'm paid

*** I'm paid *** *** I'm paid

Jump through the lane, nothin' ever change

Got more money so *** still the same

More cane so we never did change

Live through the cycle, struggle for the fame

Money came more so we hustle all the time

More that we get, more that we fly

The sunshine came to the moon how we grind

Bigger money now still flippin' all the time

The motor change *** so the watch with the meter

Cartier face every time that I see her

Chandelier lights to the prices of the dice

Roll a hundred G's, *** the same night

Poppin' Don P red champagne

Alize poppin', more blowin' in the air

Draggin' that brown, holdin' uptown puttin' it down

Hold my crown got the game of the ground

That's how we get it, more money on the island

More money by the hour, more muscle with this power

Climbin' more fences higher than a light

More money so bright, so we cash it that night

Why another million, still another ticket?

Bought another Lambo, bought another buildin'

Flossin' all the time, Porsche, Benz truck

Every time I pull up, somethin' new came up

Flossin' with the ice, priceless with the life

Give a *** about the price, do the same thing twice

*** I'm paid, that's all I gotta say

Can't see you lil' *** the money in the way?

*** I'm paid *** *** I'm paid

*** I'm paid *** *** I'm paid

*** I'm paid, that's all I gotta say

*** I'm paid, that's all I gotta say

*** I'm paid *** *** I'm paid

*** I'm paid *** *** I'm paid
