Overdue

Par Bitter:Sweet

Album : The Mating Game

No, there's nothing more to do

I've got nothing left to say to you

Don't care for salty conditions

I'm over you

I can't explain it

I'm overdue for a certain type of affair

Not gonna take it

This tea for two isn't something we need to share

I'm sorry baby, it's just you drive me crazy

I'm sorry baby, so sorry baby

Oh please, stop messing up my day

Stop begging me to stay with you

Don't care much for inhibitions

I'm on the move

I can't explain it

I'm overdue for a certain type of affair

Not gonna take it

This tea for two isn't something we need to share

I'm sorry baby, it's just you drive me crazy

I'm sorry baby, so sorry baby
