03 - Crystalline

Par Björk

Album : Biophilia

Underneath our feet

Crystals grow like plants

(Listen how they grow)

I'm blinded by the lights

(Listen how they grow)

In the core of the earth

(Listen how they grow)

Crystalline

Internal Nebula

(Crystalline)

Rocks growing slowmo

(Crystalline)

I conquer claustrophobia

(Crystalline)

And demand the light

We mimic the openness

Of the warmth we love

Doth till our generosity equalize the flow

With our hearts

We kiss all quartz

To reach love

Crystalline

Internal Nebula

(Crystalline)

Rocks growing slowmo

(Crystalline)

I conquer claustrophobia

(Crystalline)

And demand the light

Octagon, polygon

Pipes up an organ

Sonic branches

Murmuring drone

Crystallizing galaxies

Spread out like my fingers

Crystalline

Internal Nebula

(Crystalline)

Rocks growing slowmo

(Crystalline)

I conquer claustrophobia

(Crystalline)

And demand the light

(Crystalline)

Internal Nebula (listen how they grow)

(Crystalline)

Rocks growing slowmo (listen how they grow)

(Crystalline)

I conquer claustrophobia (listen how they grow)

(Crystalline)

And demand the light (listen how they grow)

It's the sparkle you become

Conquer the anxiety

It's the sparkle you become

Conquer the anxiety
