So Broken

Par Björk

Album : Fireworks [Bootleg]

So broken

In pieces

So broken

In pieces

My heart is so broken

In pieces

Here I go

Trying to run ahead of that

Heart break train

Thinking

It will never catch up with me

I'm so broken

Heðan-biður-after-care

So broken

Heðan-biður-afte-care

Yeah, sho

Heðan-biður

Woah-ahhh

I'm trying to land

This aeroplane of ours gracefully

But it seems just destined to crash

So broken

In pieces

So broken

Heðan-biður-after-care

My heart is so broken

In pieces

In pieces
