# So Alive (Love and Rockets)

Par Black Light Burns

*Album : Cover Your Heart & the Anvil Pants Odyssey*

I don't know what colour your eyes are, baby

**But your hair is long and brown**

**Your legs are strong, and you're so, so long**

**And you don't come from this town**

**My head is full of magic, baby**

**And I can share this with you**

The feel I'm on a cross again, lately

But it's nothing to do with you

I'm alive

**Oh Oh, so alive**

I'm alive

**Oh Oh, so alive**

This drug makes me crazy

Makes me see you more clearly.

Oh, baby, now I can see you.

Wish I could stop,

Switch off the clock,

Make it all happen for you.

I'm alive

**Oh Oh, so alive**

I'm alive

**Oh Oh, so alive**

Don't know what colour your eyes are, baby

**But your hair is long and brown**

**Your legs are strong, and you're so, so long**

**And you don't come from this town**

**My head is full of magic, baby**

And I can share this with you

The feel I'm on top again, baby

That's got everything to do with you

I'm alive

Oh Oh, so alive

I'm alive

Oh Oh, so alive
