She's Gone

Par Black Sabbath

Album : The Complete 70's Replica CD Collection? 1970–1978

I've been gone a long long time, waiting for you

I din't want to see you go, oh, no, no

And now it's hurting so much, what can I do

I wanted you to be my wife

The days are passing slowly, since you've gone

Your memories are all I have, yes I have

I sit here waiting but you'll never show

Without you I can't carry on, ooh my baby

You said you'd always love me, all of my life

And then you said your last goodbye, yeah, goodbye

Why the sudden changes, why all of the lies

I should have seen it in your eyes

The endless hours of heartache, waiting for you

My summer love has turned to rain, all the pain

The silent emptiness of one sided love

My life means nothing now you've gone, ooh my baby
