# Spiral Architect

Par Black Sabbath

*Album : Black Box: The Complete Original Black Sabbath 1970–2017*

Sorcerers of madness

Selling me their time

Child of God sitting in the sun

Keeping peace of mind

Fictional seduction

On a black snow sky

Sadness kills the superman

Even fathers cry

**Of all the things I value most of all**

I look inside myself

And see my world

**And know that it is good**

**You know that I should**

Superstitious centuries

Didn't time go slow

Separating sanity

Watching children grow

Synchronised undertaker

Spiral skies

Silver ships on plasmic oceans

In disguise

Of all the things I value most in life

I see my memories

And feel their warmth

And know that they are good

### You know that I should

Watching eyes of celluloid

Tell you how to live

Metaphoric motories

Say give, give, give

Laughter giving, love is showing

Me the way

Spiral building architect

I build, you pay

### Of all the things I value most of all

I look upon my Earth

And feel the warmth

And know that it is good

You know that I should

You know that I should

You know that I should

You know that I should

You know that I should
