The Mob Rules

Par Black Sabbath

Album : [1981].The Mob Rules (Warner Bros. 3605-2)

Close the city and tell the people

That something's coming to call

Death and darkness are rushing forward

To take a bite from the wall, oh

You've nothing to say

They're breaking away

If you listen to fools

The mob rules

The mob rules

Kill the spirits and you'll be blinded

And the end is always the same

Play with fire you burn your fingers

And lose your hold of the flame, oh

It's over, it's done

The end has begun

If you listen to fools

The mob rules

You've nothing to say

Oh, they're breaking away

If you listen to fools

Break the circle and stop the movement

The wheel is thrown to the ground

Just remember it might start rolling

And take you right back around

You're all fools

The mob rules
