# Tomorrow's Dream

Par Black Sabbath

*Album : [1972]. Vol. 4*

Well I'm leaving tomorrow at daybreak  
Catch the fastest train that I find  
Yes I'm leaving the sorrow and heartache  
Before it takes me away from my mind  
Send me love and I may let you see me  
Send me hopes I can fit in my head  
But if you really want me to answer  
I can only let you know when I'm dead  
When sadness fills my days  
It's time to turn away  
And let tomorrow's dreams  
Become reality to me  
So realize I'm much better without you  
You're not the one and only thing in my heart  
I'll just go back to pretending I'm living  
So this time I'm gonna have the star part
