Think of You

Par Bleached

Album : Carter - Single

I can't tell you what I think of you

'Cause I know that I'm too scared

If I tell you that I love you

Will you even be there?

I can't tell you what I think of you

'Cause I know that I'm too scared

If I tell you that I love you

Will you even be there?

Ooh.

Oh...

All I wanna say is

All I gotta do is

Tell you my dear that

I love you

Ooh ooh love you

Ooh ooh love you

Ooh ooh ooh

I can't tell you what I think of you

'Cause I know that I'm too scared

If I tell you that I love you

Will you even be there?

I can't tell you what I think of you

'Cause I know that I'm too scared

If I tell you that I love you

Will you even be there?

Ooh.

Oh...

All I wanna say is

All I gotta do is

Tell you my dear that

I love you

Ooh ooh love you

Ooh ooh love you

Ooh ooh ooh
