Flaming Telepaths

Par Blue Öyster Cult

Album : The Singles Collection

Well I've opened up my veins too many times

And the poison's in my heart and in my mind

Poison's in my bloodstream, poison's in my pride

I'm after rebellion, I'll settle for lies

Is it any wonder that my mind's on fire

Imprisoned by the thoughts of what to do

Is it any wonder that my joke's an iron

And the joke's on you

Experiments that failed too many times

Transformations that were too hard to find

Poison's in my bloodstream, poison's in my pride

I'm after rebellion, I'll settle for lies

Yes, I know the secrets of the iron and mind

They're trinity acts, a mineral fire

Yes, I know the secrets of the circuitry mind

It's a flaming wonder telepath

Well I've opened up my veins too many times

And the poison's in my heart and in my mind

Poison's in my bloodstream, poison's in my pride

I'm after rebellion, I'll settle for lies

Is it any wonder that my mind's on fire

Imprisoned by the thoughts of what to do

Is it any wonder that my joke's an iron

And the joke's on you
