The Red And The Black

Par Blue Öyster Cult

Album : The Ultimate Best Of Blue Öyster Cult

Canadian mounted baby, a police force that works

Red and black, that's their color scheme

Get their man, in the end

It's all right

Oh yeah my honey knows it's all right

It's all right

Oh yeah my baby knows it's all right

C'mon little husky

Frontenac Chateau baby

I'll cross the frontier at ten

Got a whip in my hand baby

And a girl or a husky at leather's end

It's all right

Oh yeah my honey knows it's all right

It's all right

Oh yeah my baby knows it's all right

Hornswoop me bungo pony, dogsled on ice

Make a dash for freedom baby don't skate on polar ice

It's too thick to be sliced by the light

Of long and white polar nights

It's all right

Oh yeah my honey knows it's all right

It's all right

Oh yeah my baby knows it's all right
