# Hiram Hubbard

Par Bob Dylan

*Album : Live At Finjan Club Montreal 1962 & Folkways Studios New York City 1962-1963*

Hiram Hubbard wasn't guilty

I've heard a great many say

Hiram Hubbard wasn't guilty

I've heard a great many say

He was not in this county

He was 40 miles away

But they took him 'cross the mountain

And they whomped him on the hill

Yes, they took him on the mountain

**And they whomped him on the hill**

It was there that he pleaded

Oh, please, let me make my will

**But Hiram Hubbard wasn't guilty**

**I've heard a great many say**

**Hiram Hubbard wasn't guilty**

**I've heard a great many say**

**He was not in this county**

**He was 40 miles away**

But they took him down to Danville

**And they threw him in jail**

Yes, they took him down to Danville

**And they threw him in jail**

And it was then nobody sought him

Nobody could go his bail

**But Hiram Hubbard wasn't guilty**

**I've heard a great many say**

**Hiram Hubbard wasn't guilty**

**I've heard a great many say**

**He was not in this county**

**He was 40 miles away**

But they took him out at midnight

**And they strapped him to a tree**

Yes, they took him out at midnight

**And they strapped him to a tree**

It was there that they killed him

With rifle bullets, three

But Hiram Hubbard was not guilty

Lord, I heard a great many say

**Hiram Hubbard wasn't guilty**

I heard a great many say

**He was not in this county**

He was 40 miles away
