Soul almighty

Par Bob Marley

Album : The World Of Bob Marley - CD1

[Bob Marley]

Hey happy people, this here is something new

I know you're gonna like it

So let me tell you what we're gonna do

Souls almighty [uh]

Don't you know we got the rhythm

Souls almighty [oh]

We are willing

Funky, Funky Chicken [ooh]

And the Mashed Potato

Do the Alligator

Let's do it together

Souls almighty

Do you dig me ya'll

Souls almighty, my soul is raw

[Ooh-ee yeah]

Get yourself together

In any kind of weather

Things will be mighty better

If you get it together [witness]

Souls almighty [ooh]

Don't you know we got the rhythm

Souls almighty [exactly when baby]

[You're not with him]

Get yourself, yourself together

In any kind of weather [I'll come home baby]

Things will be mighty better

If we, if we get it together

Souls, don't you know we got the rhythm

Hit it brother

Souls Almighty

O' baby, when you're not with him

Funky, Funky Chicken

And the Mashed Potato [oh]

Do the Alligator

Do it together ya'll [uh]

Shocks of [mighty]

Souls and shocks, souls and shocks

We got, we got, we got the rhythm

Sing your song brother

My baby's with him, ooh

Get yourself together

In any kind of weather

Things will be mighty better
