Oh

Oh, yeah

Oh, yeah

You're gonna lively up yourself and don't be no drag

You lively up yourself, oh, Reggae is another bag

You lively up yourself and don't say no

You gonna lively up yourself, 'cause I said so

Hear what you gon' do

You rock so, you rock so

Like you never did before, yeah

You dip so, you dip so

Dip through my door

You come so, you come so, oh, yeah

You skank so, you skank so

Be alive today

You gonna lively up yourself and don't say no

You lively up yourself, big daddy says so, oh

You lively up yourself and don't be no drag

You lively up yourself, 'cause Reggae is another bag

What you got, that I don't know

I'm-a trying to wonder, wonder

Wonder why you, wonder, wonder why you act so

Yeah

Hey, did you hear what the man say?

Lively up yourself

Your woman in the morning time y'all, ah

(Lively up yourself) keep on livelyin' up your woman

When the evening come and take ya

Take ya, take ya, take ya

Come on, baby, 'cause I, I wanna be lively myself, ya

(Lively up yourself)

(Lively up yourself)

You gonna rock so, you rock so

(You rock so, you rock so)

(You dip so, you dip so)

(You skank so, you skank so)

And don't be no drag

(You come so, you come so)

Oh, Reggae is another bag

Guess what you got in your bag?

Now what you got in the other bag you got hanging there?

What you say you got?

I don't believe you
