Slave Driver

Par Bob Marley & The Wailers

Album : Catch A Fire [Island 314 548 893-2]

Ooh-ooh, ooh-ooh

Ooh-ooh, ooh-ooh

Slave driver, the table has turned (catch a fire)

Catch a fire so you can get burned now (catch a fire)

Slave driver, the table has turned (catch a fire)

Catch a fire, you're gonna get burned (catch a fire)

Woah now

Every time I hear the crack of a whip, my blood a-runs cold

I remember on the slave ship

How they brutalized our very souls

Today they say that we are free

Only to be chained in poverty

Good God, I think it's illiteracy

It's only a machine that make money

(Slave driver) the table has turned, y'all

(Ooh-ooh ooh-ooh)

(Slave driver, ugh) the table has turned, baby now (catch a fire)

(Catch a fire) so you can get burned, baby now (catch a fire)

(Slave Driver) the table is turned y'all (catch a fire)

(Catch a fire) so you can get burned now (catch a fire)

Every time I hear the crack of a whip, my blood a-runs cold

I remember on the slave ship

How they brutalize our very souls

(Ooh-ooh ooh-ooh ooh-ooh)

Oh, God, have mercy on our souls!

Oh!

Slave driver, the table has turned, y'all (catch a fire)

Catch a fire, so you can get burned (catch a fire)

Slave driver (slave driver) the table has turned, y'all (catch a fire)

Catch a fire so you can get burned (catch a fire)
