Humpin' Around (Prelude)

Par Bobby Brown

Album : Bobby

When you trust someone

And you know you're on their back

You ain't got no trustin' about you

And you claim that you

Don't care where I'm at

You've given me reason to doubt you

Say you trust someone

Why ya callin' all around

Think I've got some dip on the side

Girl you don't trust no one

And you constantly in doubt

You lose the game

If you play that way

Get up off me back

Save your heart attack

Ain't nobody is humpin' around

No matter what they say

No it ain't that way

Ain't nobody humpin' around

When you love someone

And you want to love 'em right

Got to get more lovin' about cha

When you know

That you're holdin' on too tight

Soon they will be leavin' without you

Say that you love someone

Why you callin' all my friends

Thinkin' I got somethin' to hide

Girl you don't love no one

You don't know what love's about

You lose the game

If you, if you play that way

Get up off me back

ICIBILLET.COM

Save your heart attack

Ain't nobody is humpin' around

No matter what they say

No it ain't that way

Ain't nobody humpin' around

Girl when you love someone

You don't call on everybody

Ain't nobody foolin' around

And the more I think about it

You'll lose all your clout and

You lose the game baby

If you play that way

Back to the BB Brown

Back to the BB Brown

Back to the BB Brown

My name is Brown, that's what I'm called so
Don't try to step on me wrong or you'll fall slow
'Cuz I just want to kick soul to ya
Maybe, baby, take control of ya, just like I told ya

I wanna roll on the tip that's moving
Able to make you move and groove
And leave you like ooh when I touch ya
Give you so much of the feeling of the deck
That I'm dealing when I rub ya up and down
Yo Stylz kick it

Well, I know it's been a while
Since you heard a change in our style
So what I've come to do is kick you something fly and new
A change, different from the typical a bit more than regular
Not like the others original, 'cuz originality
And creativity add it up together equals the B.B.B. posse
Yeah, we've in the house, yo kick it

Get up off me back

Save your heart attack

Ain't nobody is humpin' around

No matter what they say

No it ain't that way

Ain't nobody humpin' around

Get up off me back

Save your heart attack

Ain't nobody is humpin' around

No matter what they say

No it ain't that way

Ain't nobody humpin' around

Get up off me back

Save your heart attack

Ain't nobody is humpin' around

No matter what they say

No it ain't that way

Ain't nobody humpin' around
