In And Out Of Love

Par Bon Jovi

Album : Greatest Hits Disc 1

In and out of love

In and out of love

In and out of love

In and out of love

In and out of love

In and out of love

Young and wired

Set to explode in the heat

You won't tire

'Cause baby, you were born with the beat

Take you higher than you've ever known

Then drive you down to your knees

I'll pick you up when you've had enough

You been burned baby lessons learned

In and out of love

Hear what I'm sayin'

In and out of love

It's the way that we're playing

In and out of love

Too much is never enough

She's gonna get ya

Running wild

When me and my boys hit the streets

Right on time

She's here to make my night complete

Then I'm long gone I got another show

One more town, one mile to go

One endless night of fantasy

Is all she left of her with me

In and out of love

Hear what I'm sayin'

In and out of love

It's the way that we're playing

In and out of love

When we're together

In and out of love

It's too much forever

In and out of love

Hear what I'm sayin'

In and out of love

It's the way that we're playing

In and out of love

Too much is never enough

She's gonna get you

Out of love

Out of love

Out of love

Out of love

In and out of love

In and out of love

In and out of love

In and out of love (love!)

In and out of love

In and out of love

In and out of love

In and out of love

In and out of love

In and out of love

In and out of love

In and out of love

In and out of love

In and out of love

In and out of love
