(It's hard) Letting you go

Par Bon Jovi

Album : These Days

It ain't no fun lying down to sleep

And there ain't no secrets left for me to keep

I wish the stars up in the sky

Would all just call in sick

And the clouds would take the moon out

On some one-way trip

I drove all night down streets that wouldn't bend

But somehow they drove me back here once again

To the place I lost at love, and the place I lost my soul

I wish I'd just burn down this place that we called home

It would all have been so easy

If you'd only made me cry

And told me how you're leaving me

To some organ grinder's lullaby

It's hard, so hard - it's tearing out my heart

It's hard letting you go

Now the sky, it shines a different kind of blue
And the neighbor's dog don't bark like he used to
Well - me, these days
I just miss you - it's the nights that I go insane
Unless you're coming back for me
That's one thing I know that won't change

It's hard, so hard - it's tearing out my heart

It's hard letting you go

Now some tarot card shark said I'll draw you a heart
And we'll find you somebody else new
But I've made my last trip to those carnival lips
When I bet all that I had on you
It's hard, it's hard, it's hard, so hard

It's hard letting you go

It's hard, so hard, it's tearing out my heart
But it's hard letting you go
