# Love In This Club (Usher Cover)

Par Boyce Avenue

*Album : Boyce Avenue Acoustic Sessions, Vol. 2 [2008]*

You see you searching for somebody

That'll take you out and do you right

Come here baby, and just let me show you what it feels

Like

You know only you gotta do is tell what you're sippin'

On

And I promise that i'm gonna keep coming all the night

Long

Looking in your eyes

While you walk the other side

I think shawty, i've got a thing for you

**You doing on purpose, windin' and workin' it**

I can tell by the way you're looking at me, girl

**I wanna make love in this club (in this club, in this**

**Club, in this club)**

**I wanna make love in this club (in this club, in this**

**Club, in this club)**

You gotta some friends rollin' with you baby and

That's cool

You can leave them with my friends let them know that

I got you

If you didn't know, you're the only thing that's on my

Mind

Because the way i'm starting to miss you got me

Wanting to give it to you all night

Looking in your eyes while you walk the other side

I can't take it no more, baby i'm coming for you

**You doing on purpose, windin' and workin' it**

If we close our eyes, this could be just me and you

**I wanna make love in this club (in this club, in this**

**Club, in this club)**

**I wanna make love in this club (in this club, in this**

**Club, in this club)**

I wanna make love in this club (in this club, in this

Club, in this club)

I wanna make love in this club (in this club, in this

Club, in this club)

In this club, yeaah yeah

In this club, yeaah yeah
