# Don't Stop The Dance

Par Brian Ferry & Roxy Music

*Album : Hits der 80er (1985-1989)*

Mama says, "Truth is all that matters

Lying and deceiving is a sin"

Drifting through a world that's torn and tattered

Every thought I have don't mean a thing

**Don't stop, don't stop the dance**

**No more music**

**Don't stop the dance**

Mama says, "Love is all the matters

Beauty should be deeper than your skin"

Living for the moment, lips and lashes

Will I ever find my way again?

**Don't stop, don't stop the dance**

**No more music**

**Don't stop the dance**

**Don't stop, don't stop the dance**

Mama says, "Only stormy weather

Don't know why there's no sun in the sky"

Footsteps in the dark come together

Got to keep on moving or I will die

**Don't stop, don't stop the dance**

**No more music**

**Don't stop the dance**

**Don't stop, don't stop the dance**

**No more music**

**Don't stop the dance**

**Don't stop, don't stop the dance**
