Par Bring Me the Horizon

Album : Lo-files

You know that I'd die for, I'd cry for

You know that I'd die for you

You know that I'd breathe for, I'd bleed for

You know that I'd breathe for you

Let me see my halo, even though it's painful

I'm prepared to lose

You know that I'd die for, I'd cry for

You know that I'd die for you

I keep holding my breath for a miracle

Hoping the hole in my heart would heal somehow

Feeling so fucking close to the edge right now

You know you're everything I hate, wish I could escape

But you know I would die for you

You know that I'd die for, I'd cry for

You know that I'd die for you

You know that I'd breathe for, I'd bleed for

You know that I'd breathe for you

Let me see my halo, even though it's painful

I'm prepared to lose

You know that I'd die for, I'd cry for

You know that I'd die for you

'Cause I've died inside a thousand times

But still I'd kill myself for you

'Cause the truth of it, you could slit my wrists

And I'd write your name in a heart with the hemorrhage

Got me so fucking close to the edge right now

You know it's you I need to kick, you make me feel like shit

I don't wanna die for you (die for you)

You know that I'd die for, I'd cry for

You know that I'd die for you

You know that I'd breathe for, I'd bleed for

You know that I'd breathe for you

Let me see my halo, even though it's painful

I'm prepared to lose

You know that I'd die for, I'd cry for

You know that I'd die for you

This isn't love, this is a car crash

This isn't love, this is a bloodbath

This isn't love, this is a sentence

It's a bullet in the head

This isn't love, this is a car crash

This isn't love, this is a bloodbath

This isn't love, this is a sentence

It's a bullet in the head

So pull the trigger

You know that I'd die for, I'd cry for

You know that I'd die for you

You know that I'd breathe for, I'd bleed for

You know that I'd breathe for you

Let me see my halo, even though it's painful

I'm prepared to lose

You know that I'd die for, I'd cry for
