# Overprotected (Darkchild Remix)

Par Britney Spears

*Album : Britney*

I need time (time)

(Love)

Joy (joy)

I need space

Love

I need me

(4, 3, 2, 1)

Say hello to the girl that I am

You're gonna have to see through my perspective

I need to make mistakes just to learn who I am

And I don't wanna be so damn protected

**There must be another way**

**Cause I believe in taking chances**

**But who am I to say**

**What a girl is to do**

God, I need some answers

**What am I to do to win my life**

**(You will find out don't worry)**

**How am I supposed to know what's right?**

**(You just got to do it your way)**

**I can't help the way I feel**

**All my life has been so overprotected**

I tell 'em what I like

What I want

What I don't

But every time I do I stand corrected

Things that I've been told

I can't believe what I hear about the world, I realize

I'm overprotected

**There must be another way**

**Cause I believe in taking chances**

**But who am I to say**

**What a girl is to do**

God I need some answers

**What am I to do to win my life**

**(You will find out don't worry)**

**How am I supposed to know what's right?**

**(You just got to do it your way)**

**I can't help the way I feel**

**All my life has been so overprotected**

I need' time (love)

I need' space

(This is it, this is it)

**I don't need nobody**

Tellin' me just what I wanna

What I want what, what I'm gonna

**Do about my destiny**

**I Say No, No**

Nobody tell me just what what what I wanna do, do

**I'm so fed up with people telling me to be**

**Someone else but me**

(Yeah)

What am I to do win my life

**(You will find out don't worry)**

**How am I supposed to know what's right?**

**(You just got to do it your way)**

**I can't help the way I feel**

**All my life has been so overprotected**

**I don't need nobody**

Tellin me just what I wanna

What I what what I'm gonna

**Do about my destiny**

## **I Say No, No**

Ain't nobody tell me just what I wanna do, do

**I'm so fed up with people telling me to be**

**Someone else but me**

**What am I to do to win my life**

**(You will find out don't worry)**

**How am I supposed to know what's right?**

**(You just got to do it your way)**

**I can't help the way I feel**

**All my life has been so overprotected**
