Someday (I will understand) [Hi-bias signature radio remix]

Par Britney Spears

Album : Someday (I will understand) [Maxi Cd]

Nothing seems to be the way that it used to
Everything seems shallow, God give me truth, in me
And tell me somebody's watching over me

And that is all I'm praying's that

Someday I will understand in God's own plan
And what he's done to me
Oh, but maybe someday I will breathe
And I'll finally see, I'll see it all in my baby

Don't you run too fast my dear, why don't you stop?
Just stop and listen to your tears they're all you've got

It's in you, you see somebody's watching over you

And that is all I'm praying's that

Someday you will understand in God's whole plan

And what he does to you

Oh, but maybe someday you will breathe

And you'll finally see, you'll see it all in your baby

You'll see it all in your baby

No moment, will be more true

Then the moment I look at you

It's in you, you see somebody's watching over you

And that is all I'm praying's that

Someday you will understand in God's whole plan

And what he does to you

Oh, but maybe someday you will breathe

And you'll finally see, you'll see it all in your baby

You'll see it all in your baby, you'll see it all in your baby

You'll see it all in your baby
