# State Trooper

Par Bruce Springsteen

*Album : The Lost Masters - Vol 01 - Alone in Colts Neck - The Complete Nebraska Session*

New Jersey Turnpike

Ridin' on a wet night

'Neath the refinery's glow

Out where the great black rivers flow

License, registration

I ain't got none

But I got a clear conscience

'Bout the things that I done

**Mister state trooper**

**Please don't stop me**

**Please don't stop me**

**Please don't stop me**

Maybe you got a kid

Maybe you got a pretty wife

The only thing that I got's

Been both'rin' me my whole life

**Mister state trooper**

**Please don't stop me**

**Please don't you stop me**

**Please don't you stop me**

In the wee-wee hours

Your mind gets hazy

Radio relay towers

Gon' lead me to my baby

The radio's jammed up

With talk show stations

It's just talk, talk, talk, talk

'Til you lose your patience

**Mister state trooper**

**Please don't stop me**

Hey, somebody out there

Listen to my last prayer

Hi-ho-silver-o

Deliver me from nowhere
