Par Bryan Ferry & Roxy Music

Album : Mamouna

Tick tick time don't mean nothing

In the light we hide and look

Tick tick time and time is money

Deep inside you can't deny my love

Chinaman

Chinaman

Tick tick time my desire

Vibrate bones my ears

Tick tick time her lies are fire

Deep inside you can't deny my love

The hangman cough

The sacrifice

The change of heart

Chinaman

Chinaman

Tick tick time a ton of trouble

Tabacco my soul on fire

Tick tick time my mind is rocking

Deep inside you can't deny my love

My love

Chinaman

My love

Chinaman

My love

Chinaman

My love

Chinaman

My love

Chinaman
