# Making Your Mind Up

Par Bucks Fizz

*Album : Top 100 - 1981*

You gotta speed it up

And then you gotta slow it down

'Cause if you believe that our love can hit the top

You gotta play around

But soon you will find that there comes a time

For making your mind up

You gotta turn it on

And then you gotta put it out

You gotta be sure that it's something

Everybody's gonna talk about

Before you decide that the time's arrived

For making your mind up

**Don't let your indecision**

**Take you from behind**

**Trust your inner vision**

**Don't let others change your mind**

And now you really gotta burn it up  
And make another fly by night  
Get a run for your money and take a chance  
And it'll turn out right  
But when you can see how it's gotta be

**You're making your mind up**

And try to look as if you don't care less  
But if you wanna see some more  
Bending the rules of the game  
Will let you find the one you're looking for  
And then you can show that you think you know

**You're making your mind up**

**Don't let your indecision**

**Take you from behind**

**Trust your inner vision**

**Don't let others change your mind**

**And now you really gotta speed it up (speed it up)**

**And then you gotta slow it down (slow it down)**

**'Cause if you believe that our love can hit the top**

**You gotta play around**

**But soon you will find that there comes a time**

**For making your mind up**

**And now you really gotta speed it up (speed it up)**

**And then you gotta slow it down (slow it down)**

**'Cause if you believe that our love can hit the top**

**You gotta play around**

**But soon you will find that there comes a time**

For making your mind up

For making your mind up

For making your mind up

For making your mind up
