Last to Know?

Par Buzzcocks

Album : Late For The Train (Live And In Session 1989–2016)

Will I be the last to know?

I've got this little question for ya

Will I be the last to know

Or is this just my paranoia?

Will I be the last to know?

I came into your room while you were sleeping

And tip-toed to the bottom of your bed

I held my breath so I could hear you breathing

Love's such a sweet thing

Will I be the last to know?

I've got this little question for ya

Will I be the last to know

Or is this just my paranoia?

Will I be the last to know?

I want to give myself to you completely

I love you more than truth could ever tell

Please promise not to mistreat me or beat me

Just treat me sweetly

Will I be the last to know?

I've got this little question for ya

Will I be the last to know

Or is this just my paranoia?

What will I discover?

Will you turn on me and say

You didn't mean to be unkind

You haven't changed your mind

You've never loved me anyway?

I want to give myself to you completely

I love you more than truth could ever tell

Please promise not to mistreat me or beat me

Just treat me sweetly

Will I be the last to know?

I've got this little question for ya

Will I be the last to know

Or is this just my paranoia?

What will I discover?

Will you turn on me and say

You haven't changed your mind

You've never loved me anyway?

Will I be the last to know?

Will I be the last to know?

Will I be the last to know?
