Helplessly Hoping

Par C S N Y

Album : Crosby, Stills, Nash & Young - Tampa Florida 2002

You stayed

We're gonna do one or two quiet things for you

Then we're gonna rock out

See if we can pull off a little three part

Helplessly hoping her harlequin hovers nearby

Awaiting a word

Gasping at glimpses of gentle true spirit, he runs

Wishing he could fly

Only to trip at the sound of goodbye

Wordlessly watching, he waits by the window and wonders

At the empty place inside

Heartlessly helping himself to her bad dreams, he worries

Did he hear a goodbye?

Or even hello?

They are one person

They are two alone

They are three together

They are for each other

They are one person

They are two alone

They are three together

They are for each other

Stand by the stairway

You'll see something certain to tell you

Confusion has its cost

Love isn't lying, it's loose in a lady who lingers

Saying she is lost

And choking on hello

They are one person

They are two alone

They are three together

This is a song you may not have heard before

We get a little upset with all the people

Who are getting killed in the name of, "My god is better than your god"

(My god's better than your god)

Wow

So I wrote this song, it's really a small prayer

A song called, "In Your Name"
