Come a Little Closer

Par Cage the Elephant

Album : Billboard Hot Rock Top 100 Songs of 2014

Time shakes, found you at the water

At first you were my father, now I love you like a brother

Earthquakes shake the dust behind you

This world at times will blind you

Still I know I'll see you there

Come a little closer, then you'll see

Come on, come on, come on

Things aren't always what they seem to be

Come on, come on, come on

Do you understand the things that you've been seeing?

Come on, come on, come on

Do you understand the things that you've been dreaming?

Come a little closer, then you'll see

Heartbreaks, the heavy world's upon your shoulders

Will we burn or we just smolder?

Somehow I know I'll find you there

Ooh, I wanna see if you can change it, change it

Still I know I'll see you there

Come a little closer, then you'll see

Come on, come on, come on

Things aren't always what they seem to be

Do you understand the things that you've been seeing?

Come on, come on, come on

Do you understand the things that you've been dreaming?

Come a little closer, then you'll see

Come a little closer, then you'll see

Ten thousand people stand alone now

And in the evening the sun sets

Tomorrow it will rise

Time flies by, they all sang along

Time flies by, they all sang along

Time flies by, they all sang along

Time flies by by

Come a little closer, then you'll see

Come on, come on, come on

Come a little closer, then you'll see

Come a little closer, then you'll see

Come a little closer, then you'll see
